COMPUTER CRIMES UNIT ASSISTANCE

2/20/2025

Information: The following is a list of services offered by the Computer Crimes Unit to assist with investigations:

- Computer Forensics
- Cellphone Forensics
- Video Enhancement and Clarification (Success depends upon system quality and distances.)
- Video Retrieval from DVR Systems on Scene (if staff is unable to provide a copy)
- Cell Tower Plotting and Mapping (CDR, data and tower pings)
- Search Warrant Templates and SW Assists (current/relevant templates)

These resources can greatly increase evidence opportunities.

Contacts: Please reach out to Sgt. Jon Elges (elgesj@oakgov.com) from the Computer Crimes Unit if you have any questions.
