Action Required: The test shot CANNOT be entered as a reportable MICR 'Property Type' (*Confiscated, Recovered, Burned, Destroyed*, etc.). It must be entered as a 'Property Class' (*I – Information or E – Evidence*).

Be aware of the “compatibility” of certain offense and property entries. Some combinations may generate an error.

Contacts: If you have any questions about the Test Shot entry, please contact Sheryl Robenault, TII Division, at 248-421-5401 or robenaults@oakgov.com.
