**UD-10: HIT AND RUN FILE CLASSES**

**2/12/2025**

**Information:** Due to MICR requirements, the FBI recognizes ONLY hit and run crashes that involve a motor vehicle and a **pedestrian** or **bicyclist**.

**Action Required:** Please use the following examples as guidelines:

- A motor vehicle strikes a pedestrian or bicyclist and leaves the scene (roadway or private property). The file class should be 5400-1; fill in the 'Hit and Run' bubble under 'Special Circumstances.'
- A motor vehicle rear ends another motor vehicle on a roadway and leaves the scene. The file class should be 9300-1; fill in the 'Hit and Run' bubble under 'Special Circumstances.'
- A motor vehicle backs into a parked vehicle in a parking lot and leaves the scene. The file class should be 9300-2; fill in the 'Hit and Run' bubble under 'Special Circumstances.'

**Contacts:** Please contact Deputy Jerry Yaldoo ([yaldooj@oakgov.com](mailto:yaldooj@oakgov.com) or 248-595-4729 if you have any questions.
