

OAKLAND COUNTY SHERIFF'S OFFICE TRAINING BULLETIN

5/14/2024

UPDATE / REVISED: Shield Suite Activation

Be advised of the following changes made to the activation process and login for LEFTA:

All personnel have been loaded into the system as "USERS".

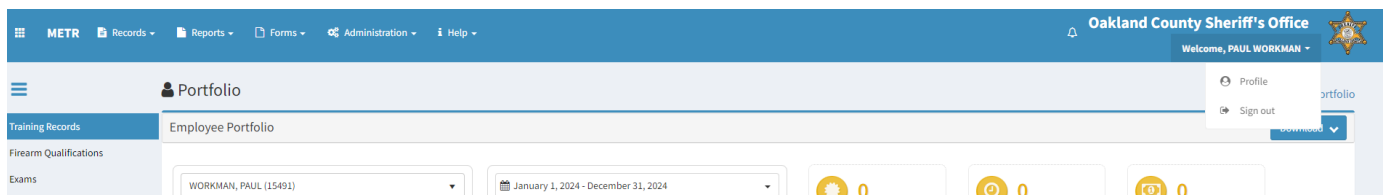

There is no longer a requirement to "activate" the account.

Use this link to login:

<https://shieldportal.leftasystems.net/Account/Login?ReturnUrl=%2F>

Your Oakland County email address is your login username.

You are still required to login and update your profile page. The profile is located under your username (see image below).

After completing your profile information, no other additional steps will be required. Do not attempt to enter information into other modules.

Additional instructions will be provided as each module is implemented. If you can not login using your county email address, or if your information on the profile page is incorrect, contact Lt. Workman by email at workmanp@oakgov.com.
